

Plenary Session Pt. Jawahar Lal Nehru

Asian Relation Conference 1947, New Delhi

“.... Asia is again finding herself....

one of the notable consequence of the European domination of Asia has been the isolation of the countries of Asia from one another....

Today this isolation is breaking down because of many reasons, political and otherwise...

This conference is significant as an expression of that deeper urge of the mind and spirit of Asia which has persisted....

In this conference and in this work there are no leaders and no followers.

All countries of Asia have to meet together in a common task.

- Pandit Jawahar Lal Nehru
